Antoine Rebeiz

Beirut, Lebanon | +96176045061 | rebeizantoine@gmail.com | antoineportfolio.xyz

Dynamic civil engineering student with a strong background in web development, offering 2+ years of experience in both fields. Skilled in CAD design and proficient in various web technologies. Energetic and detail-oriented, combining engineering expertise with web development knowledge to deliver innovative solutions.

Professional Experience

Full-Stack Web Developer • Nexus IT Solutions

August 2023 - Nov 2024

- Developed and maintained client applications with the MERN stack, ensuring high-quality UI/UX and backend functionality.
- Collaborated on GitHub for version control, contributing to efficient team workflows and streamlined code management.
- Integrated third-party APIs to enrich user experiences and functionality, optimizing API calls to handle high-volume requests.
- Enhanced user experience for e-commerce platforms through optimization and added functionality.
- Designed front-end components with React and Tailwind CSS, creating intuitive interfaces that elevated user engagement

Draftsman(CAD) • Optimum Eng.Co

April 2022 - February 2023

- Partnered with engineering teams to refine structural designs using AutoCAD and Revit, ensuring compliance with international building codes.
- Conducted CAD drafting and quality checks, developing precision and attention to detail that translates into software debugging and code quality.

Education

Conservatoire National des Arts et Métiers

Civil Engineering • 2018

Ongoing | Bac + 4 Master 1; M2 expected by Summer 2025

AUF | Simplon.co Web Development Bootcamp

— Full Stack Web Development • 2023

Completed intensive 6-month training in the MERN stack, applying skills in project-based environments to build and deploy e-commerce solutions.

Skills

- **Front-End Development:** React, HTML, CSS, JavaScript
- **Back-End Development:** Node.js, Express.js
- **Database Management:** MySQL, MongoDB
- **Version Control:** Git, GitHub

Languages

- Arabic - Native
- English - Proficient(Linguaskill)
- French -Proficient(Delf B2)
- Portuguese- Semi-Proficient
